On January 22, 2019, Magistrate Judge Tim A. Baker issued his Report and Recommendation on Plaintiff's Request for Remand, finding that the Administrative Law Judge adequately considered Plaintiff's statement under SSR 16-3p and sufficiently analyzed the opinion of Plaintiff's treating physician. (ECF No. 22.) The parties were allowed to file objections under 28 U.S.C. § 636(b)(1) and Fed. R. Civ. P. 72(b); none were filed. Therefore, the Court, having reviewed the Report and Recommendation, the parties' briefs, and the administrative record, including the Administrative Law Judge's decision, now **adopts** the Report and Recommendation. The Court concludes that the ALJ's decision is supported by substantial evidence and should be affirmed. Final judgment will be entered.
